

JUSTICE, PEACE AND INTEGRITY OF CREATION (JPIC)

ROOTED RESPONSIVE RELEVANT

Mary Ward **JPIC** South Asia
General Meet, 15 - 17 January 2021

LET US LEARN AND GROW TOGETHER

The world is today traversing through an unprecedented trial. Wars, unrest, crisis, and climate change had already disrupted millions of lives. On top of that, the global pandemic compounded mistrust, inequalities, disparities and poverty worldwide.

We need change makers and path breakers who work in unison and who inspire others to chart new ways, leading to a collective growth where conservation and equilibrium are a matter of habit and not choice.

Only when **WE** are one, with strong roots can we respond, **LEARN and GROW TOGETHER** to be that relevant change.

We, the Congregation of Jesus(CJ) and the Institute of the Blessed Virgin Mary (IBVM) are proud bearers of that monumental legacy which was initiated by the Venerable Mary Ward which transcends differences and strives towards justice, peace and integrity for all human kind, maintaining mutual trust, growth and respect and furthering His cause.
